

CIGNA PATIENTS

Dear Cigna Patients and supporters of Miguel A Arenas MD PC and Mesquite Surgery Center, LLC:

Effective November 10, 2018 Cigna Accepted our practice's termination of our provider agreement which will prevent us from seeing you as in-network providers. We wanted to explain what has transpired.

Since the start of our practice 10 years ago we have always been participating Cigna providers. However, we reviewed our agreement and approached Cigna for a rate that would reflect the value of our services in today's dollars. We have attempted unsuccessfully to continue to remain in their network at rates that would allow providers such as Miguel A Arenas MD PC and Mesquite Surgery Center, LLC to continue to recruit and retain physicians in our community practice.

Miguel A Arenas MD PC and Mesquite Surgery Center, LLC Out of Network policy will apply to all Cigna patients beginning November 10, 2018 for our providers at the locations listed below:

Miguel A Arenas MD PC office

Mesquite Surgery Center, LLC

Tucson Medical Center

St. Joseph's Carondelet Hospital

Norther Cochise Community Hospital

Please [CLICK HERE](#) to view and download a document with additional information regarding how Cigna will pay your claim.

Thank you for your support

Miguel A Arenas MD PC and Mesquite Surgery Center, LLC
